

Dear Friends:

Once again we take pleasure in presenting our Brother, Master K. H. He speaks on FALSE PROPHETS, ASIMAR, and the UNITED NATIONS. For reference purposes we will call this transcript #5 inasmuch as we have previously sent out four.

Also, we humbly present John the Beloved, author of the Book of Revelation, who interprets his own Book. He chooses to call this THE SCRIPTS OF PAWOS. We will refer to this Transcription as #6.

By some, this information will be disputed, disbelieved, and discarded, but we send it forth only in love that those with "ears to hear may hear."

For your information: We are not selling tapes or sending out tapes. In a few instances we have made copies of the Sanat Kumara message for friends.

The question has arisen in the minds of some people about moving to "safe areas" to avoid catastrophe. Personally we are not concerned with saving our physical bodies but expect to go wherever the Father's work calls us. However, we would suggest that every one follow his own inner Guide in this matter.

The airplanes which crashed in the Grand Canyon: We were told that both planes hit a magnetic barrier or vortex. They did not collide. The day was June 30--anniversary of the death of the Aztec ruler, Montezuma. Some of the men of the army of Cortez and also of Coronado were aboard those planes.

We wish to thank the many kind friends who have given their gifts and love offerings toward the continuation of this work. They have made it possible for us to carry on, and we are truly grateful.

In love and appreciation,

Charles A. Laughton
Charles A. Laughton, M.D.

P.S. The message of Master K. H. and the scripts by John the Beloved have been received through voice channel via the Brotherhood of the Seven Rays.

--L.

FALSE PROPHETS - ASTAR - UNITED NATIONS

KOET KOMI LAM (LAI) SINER SHALING

(Received June 30, 1956)

May the Eternal Flame of All Knowledge bless thee. Master K. H. Dear ones, as we have said many times, this is the time for action. Philip has called me this evening to speak to you on matters of great importance, with your kind permission.

The forces are now aligning even more closely, as you have felt. A very good observation you made, my brother: that is that the strings are being drawn closer and closer. The message that I give you tonight is a message of false prophets. Who are they and how may we know them and recognize them?

All right! you'll find (in a certain communication) where it is mentioned about those who have no spark of divinity left in them. Dear ones, that is utter falsity! There is no creature in the universe no matter how evil, no matter how degraded, that does not have one tiny spark of divinity in it! I say the most degraded, the most monstrous being among all creation has a spark of divinity; otherwise, he could not exist.

The second falsity stated there is that they are annihilated by Divine decree. Nothing is ever annihilated by Divine decree. The great flood that destroyed the abomination of Earth was a Divine decree, yes, but why was it? It had been made so before by the creatures themselves. A certain course of action had to be taken. But what is being suggested here--not the physical form of any creature is being altered or changed,--they are annihilated from memory, annihilated as individuals. I tell you, dear ones, that even our Divine Father cannot annihilate you as an individual! He does not have the power to do it! Once He put His immutable laws into effect even He cannot change them. Is that clear?

There is a reference made to our Beloved Brother John that he will never and has never made a tape recording. Who knows? Who is the authority for this? How can anyone say he never has, never will make a tape recording? Who has the "taffrontry" to make such a prophecy? How do they know? What is their source of information? You will find the source is an astral being who has been dead only a few years. He is a former politician of the United States. Need I say more? He has been over in the spiritual world only a few years.

Now you have wondered why there is the confusion. At times it sounds good; it fits. At other times it's completely out of line. All right! the reason is obvious. When the receiver is perking high and mighty and the receiver is tuned up the individual gets a little bit higher level; otherwise the astral comes through... The only thing wrong with them is they're astrals and therefore they're not as aware as most mortals. You might as well go down the street and ask anyone for advice that you pass. That doesn't mean that they're evil. There's nothing wrong with astrals. There are marvelous beings who are astrals, true, but just being an astral doesn't make them anything. You have to know what they were before they were an astral. You might like to talk to Gandhi if he's an astral, but I don't think Dillinger would give you much. You see my point? My is it that the world suffers under the misconception that as soon as they pass over they have wings and the knowledge of Solomon, that because of their recent death, they can impart great wisdom?

The astral forces are helping too. There are many great beings who are assisting both space men and yourselves. They are acting as emissaries, doing what work they can. Some of them perform great services both on the battlefields, on the streets, and the offices each and every day acting as mentors and guides to the people of the world. After all, dear ones, we've all been astrals many times, have we not?--either one or the other. We've been astrals as many times as we've been mortals in that

FALSE PROPHETS - (MASTER K. H. SPEAKING)

sense. So I do wish you also to let your people know that you have nothing against astrals. Don't imply that everything astral is negative.

But you may state that those who are calling others black sheep, is it possible they are the black sheep? because it is written that the forces of darkness will come as great angels of Light, especially in this time that has been prophesied.

It is true what has gone through under the Nostradamus forces. When the Master appears He will be called Satan, as He was called a drunkard and a whoremonger when He was on the Earth, but that did not change His duty nor did it change His mission. Therefore, those now who are calling other people's material "phony," astral impressed, they are the ones to watch out for, because we need not point a finger at anyone if we have truth. A false prophet will do that, dear ones, and you can tell this to your people: Beware of the false prophets because they come in sheep's clothing and, unfortunately, some actually think they're working for the forces of Light. Poor misguided souls! They are aiding the forces of anti-Christ in stirring up dissension. Those who are working with the Christ Light need not prove anything. Their own work is their calling card. "By their works ye shall know them; by their fruits ye shall know them." Is that not true? You don't have to scream to the house tops of what you are and who you are to prove it.

Tell this to your people: The space people are beings, three dimensional like ourselves. They are not "spooks." Good heavens! There are beings of other dimensions that are working with the Space Confederation but they are not coming into your living rooms. They are the mentors to the Space Brothers--the Space Brothers that are coming into your living rooms when they come in physical form. Do you understand my point? We have stated before that all space beings are not three dimensional, no! Those operating in space ships above your world that you can see, feel, and touch, and go into if they land, are the same as you--three dimensional. They don't have to have light bodies to float around in your living room. If they can do that, why do they need space ships? The whole thing's absurd! God's world and universe is in complete order. That would be chaos. When you're developed to the stage like the "Ells" where you don't need a space ship, why in heaven's name build one? The reason you see space ships is because people on other worlds still need them and build them in order to get places.

Now, as far as Ashtar is concerned, he is not a man, and you can tell this to your own people. Let us give the authenticity and the authority for that statement, if you will. The first man who received communications with the force known as Ashtar was our beloved George Van Tassel--if you recall. He was given information at that time that Ashtar would appear throughout the world, but he would know when it's a true communication by the nature of its announcement. If his vibrations were necessary then he should be perhaps the best authority on Ashtar, should he not? Ashtar is not a man, and our good friend knew that he would recognize any true reception or false reception by the announcement they made of Ashtar. And, of course, every medium who had an astral being at his heels immediately had Ashtar on the psychic "hook-up," if you remember.

I speak strongly tonight because I feel strongly, dear ones, believe me. I am very perturbed at the entire situation that is taking place in the United States of America particularly! I can assure you that the New Age work is going on much better in Europe and elsewhere, in Canada, and Australia, and New Zealand than it is in the United States. What is this statement that the United States will be spared? Your information was correct that you received. The United States will be submerged, except for a few mountain places in the east and the west coast. Parts of the four states--Colorado, Utah, Arizona, New Mexico--will remain. But we will not get into that for the moment.

FALSE PROPHETS - (MASTER K. R. SPEAKING)

What is all this business about Ashtar appearing in his light body in the living room. How can he since he isn't a man? He comprises thousands of beings making up a gigantic organization. He couldn't appear in their living rooms. Yes, they are having appearances. They are not hoaxes; but what are they getting? Who is it that's coming? But just because it comes through and signs itself, "This is Ashtar,"--if someone calls from Washington and says, "This is the Pentagon," you don't say, "Thank you, Mr. Pentagon." Many, many space beings can be Ashtar. There is no certain man by the name of Ashtar that I know of anywhere. The name Ashtar (as an individual) possibly exists somewhere in the universe, but not as the great commander of millions of space ships and space beings as others have made him. In fact, two or three different mediums have made him greater than the Christ and have stated so--that he's the greatest being in the System. This is going TOO FAR, dear ones! They're being carried away in their astral delusions!!!

Now what and who is Ashtar? What is this force? Let us go back to the beginning of words. You WILL find in your dictionaries the word "Ashtoreth." The plural is "Ashtaroth"; A-s-h-t-a-r-o-t-h. They both mean Astarte, Goddess of fertility and sexual love, do they not? Well, need I say more? Ashtar is the singular; "Ashtar" is the plural. Do you get what I'm driving at? "Ashtaroth" is the plural. In other words, Ashtar is not a single entity; it's a group.

Now do not be confused with the force, Ashtar, such as Van Tassel received, yet the name has a very close connection with Astarte. But there are Ashtars and there are Ashtars, dear ones. And that you can tell your people; that there are Ashtars and Ashtars. There is no man by the name of Ashtar as a single entity that is known of.

(Dr. L.) But is there a space group working under that name that's on the Black side?

There is a particular group that is nothing but a group of beings who operate a gigantic mechanical brain or computer, to which I believe you have heard your friend to the south refer. It is one of the computers that was left after the collapse of the Galactic Administration (or Galactic Empire). Now Ashtar then is a code name for this great computer, and these many beings that operate it will pass through certain questions desiring answers. It is not infallible. There is a reason why it has the name Ashtar, which I will not go into at the moment, but it is also in connection with Astarte. In other words, it is the cause not the effect--it is the cause from whence came the name Astarte in the first place (or "Ashtaroth") because the Ashtar computing system or the Ashtar computer was used primarily for the computation of sexual and physical problems and problems of fertility, both in crops or plants, animals, and man. Is that point clear? Are you beginning to get the picture?

(Dr. L.) Now the Ashtar group is of the MILKY WAY Galaxy. Is that right? Is it Space Confederation or...?

Yes, you asked me that question; and that's what I'm going to answer at this time. Is the Ashtar Group Black? You ask. There are two. The computers can be used by either--either the "Unholy Six" or the others, because they were all part of the Galactic Administration at one time. The computer was available to all. The computer or Ashtar more or less is still the neutrals. The computer itself is an arbiter, is it not? The computer is neutral, neither black nor white. Therefore, the Orionites or the "Unholy Six" can use the computing force and give out Ashtar material. Ashtar is a being all right if you want to think of a computer as a being, a computer that's perhaps twenty miles in length. Tell your people Ashtar is a mechanical brain, but not as we think of it. It's a monstrous mechanical brain that once controlled the Galactic Administration of the entire Milky Way Galaxy.

(C.E.L.) Even this brain is decadent.

FALSE PROPHETS - (MASTER K. H. SPEAKING)

And the brain is decadent. Therefore, certain ones of the Space Confederation still rely on it, inaccurate as it may be at times. It's that group, small as it may be, but large in one sense, that gives out Ashtar information. Therefore, it can be White and Black. But what Mr. Van Tassel first received (and certain other channels) was Ashtar the computer giving information to the Whites or Space Confederation. Mr. Van Tassel has not had Ashtar for many years because he has gone on to a higher source of information. Is that clear? However, the ashtar that some are receiving is that force which is coming in on the astral beam from the forces of the sex and fertility gods. These are the forces behind Astarte or Ashtaro.

Remember--Ashtaro and Ashtar: one's the computer; one is the forces of the old earth spirits. And the Ashtaro will come through as Ashtar to some of those who will be astrally possessed. And they can be astrally possessed--they are ready and right for it if they are psychological cases, through frustrations of many kinds, through drunkenness. However, there are none who are now getting Ashtar through drunkenness but that is one way to let yourself open to astral possession, and also through ego, because these forces build them up... There is nothing wrong with getting Ashtar (the computer)...if they would just skip the "spooks" that are hanging around.

(Dr. L.) Is there no filtering power at the receiving end?

Fortunately there is, dear brother, but unfortunately every being upon the Earth can attune to any of these things he desires. It cannot be filtered out because that would be taking away the free will of the receiver. Is that clear? Do you know why that's done? Because if there were a filtering center man would never be able to develop his own powers of perception.

Now there is also an Assyrian deity known as Ashur. He is shown on the winged sun disc. We have spoken to you on this before: A-s-h-u-r. This carries the same vibration. This is the space group that one of the channels is working through, and much of the material is Good. This Ashtar group, from which also Van Tassel received information, is on the White or Space Confederation side.

Now there is another thing. The absurd statement has been made that the United Nations is the center of light for the Christ forces. Good heavens! It's just the opposite! It's the center for the darkest forces upon the planet Earth! It's true, dear ones, the United Nations must be eliminated from the face of the world! You can mention...that K. H. says that the United Nations is a center of Light alright,--the center of the dark light!--the center of the anti-Christ forces! The United Nations must collapse!

Yes, the United Nations must collapse because it is true that which you read from the Nostradamus forces tonight: the war lords, the "international Bankers" will use the United nations to form their super-government. This will not be. No, there are no Christ forces in the United Nations, and make that clear in your next communication. That does not mean that there are not some good people who are in the United Nations. I do not mean that. But the organization itself is a center, using gullible people. I say it's demon controlled and must go down! The Master has said, and it is written in Corinthians by our beloved Paul: "All forms of authority and power must be put down before I come." And the United Nations fits that category.

They don't like to hear it, do they? Oh, they want the New Age, but they want it to be an American New Age, or a British New Age, or a French New Age, or a Communistic New Age, don't they? I say that all forms of Government will collapse! Every seat of Government will fall utterly and completely! Every economic system will be eliminated completely! All forms of totalitarian and other types of Government will fall! All forms of orthodox and totalitarian religious organizations will utterly collapse! All forms of authority which are under the direct guidance and tutelage

FALSE PROPHETS - (MASTER R. H. SPEAKING)

of the Black Dragon will perh's! utterly! and if they don't like those words, then they don't need to like them! But no matter what they say those forces are the hidden or "Secret Government" of the world which controls the United Nations.

This is an important time, dear ones. This is the time when the Anti-Christ himself will appear, but he will be followed as a master, perhaps even as the return of The Christ. People will have a hard time deciding between the two appearances--which is Anti-Christ and which is CHRIST--because both will appear as great angels of Light. Both will be beloved of the people. Lay of the elect and the select will make the wrong choice. It will be difficult to choose. Only the most discerning will know. You can tell your people that.

And I repeat again: A false prophet can be determined by the fact that he is the first to throw the stones. Remember that. Why? Do you know why a black sheep puts on a white sheep's garb, or puts on the skin of a white sheep? and then dashes quickly into the flock of sheep and says, "Oh, oh! my, my! there's a black sheep somewhere!" This is to draw attention away from himself so that all the sheep are looking at each other because he's afraid his fake sheep's clothing might fall off revealing the wolf. You see my point? That's to take away the attention from himself. The low grade astrals always do that, dear ones. You can always determine it by that. The second thing is (yes, a paradox): they draw attention to themselves. There's too much of the "I"--ego.

Believe me, any high being would not speak about those "with not a tiny spark of divinity." I say, dear ones,--and I want you to lay that on heavy in your next communication,--there's nothing in creation that doesn't have a tiny spark of divinity! It couldn't exist. The most monstrous, hideous devil from out of all space has divinity! And no matter how horrible any creature may become or what a monster it may be, some day it will be a god because it must progress. It might be billions of years behind you but it will get there nevertheless because that is what the Father has ordained. By that I mean the CREATOR of ALL.

How to answer the question that you put to Philip, and that is, what about these tapes that are impressed?--so-called. Naturally, anything that's on a tape is impressed, is it not? So what does that mean? It has to be impressed to be there.

I would warn your people to beware of tapes. Some of the tapes being circulated are coming through channels and are of an astral nature, but you can always tell by the vibration. Some are deliberate fakes. You will have no difficulty in knowing the true from the false. Some people are charging elaborate sums and, as you noted, copyrighting the material--copyrighting universal truth, pray tell! for what? So that they can make another five dollars on another tape? Do you see the point? They feel if they put out one tape it can't be copied if it's copyrighted. Therefore, they would lose their sales! These had better analyze the situation and choose!!

Dear ones, we cannot hurt these people as personalities but at the same time our Infinite Father does not intend for us to condone such action! It is harming the work, the Christ work. We cannot go about with smiling countenances and say, "Isn't this nice? It's another piece of a puzzle." It isn't! It's just a puzzle of a picture, not a picture or a puzzle. Any other questions?

(C.E.L.) How about world conditions?

It is true, as the Nostradamus forces have given you, the next seven years are of great import to the world. We will not relent; we will not say things are getting better all the time. The Bible itself says, "When they say peace, watch out!" Things are not getting better all the time; they're getting worse all the time;

FALSE PROPHETS - (MASTER K. H. SPEAKING)

things are going from bad to worse. Weather conditions will continue to become worse. The cosmic ray bombardments will become more intense and more intense as time goes on. We are now just about on the verge of a very momentous happening.

It is true that there will be great civil strife and civil restrictions placed upon you because, as we have said before, the final thrashing tail of the dying Black Dragon will cause much destruction. Also put that into your communication again: Those who say they're working with the Christ forces and are following the messages of the prophets and The Christ, yet they turn around and say everything's lovely--they don't even believe the prophecies they pretend to believe in! Is everything lovely in the Bible? Very little is. In fact, it's one of the most pessimistic books I think I've ever read. It's nothing but blood and gore from Genesis to Revelation, isn't it? The only bright hope in it--all the way up to the coming of the Master, and even He goes out in a sorry blood bath--the only thing of hope and ray of hope is His message in the whole thing; and that's as it should be. The Revelation is anything but a story of a bed of roses, a time of walking in Elysian fields with the Master guiding us and patting us on our little heads, leading us to the feast. In fact, it's the most horrible terror story that's ever been written!

You see, dear ones, they don't want to believe it. It's either because they're Atlanteans or Lemurians or Luciferians or something that have gone down in the past because of their misdeeds. They don't want to believe it now. I say the prophecies are true each and every one! Conditions are not getting better. Let us not fool ourselves. Conditions are getting worse. But, out of it shall come the greatest and most beautiful. That's what they fail to recognize.

I also want you to tell them that those who now say "Professor Laughead was dismissed from his job because he predicted the end of the world" are incorrect. One, he was not a professor; two, he never predicted the end of the world. How could he since he's speaking of the Millenia hence, or rather decades hence? Make it clear to them that that was never stated. And tell them we're not talking about the end of the world now since we're talking about the New Age. How stupid can people be? They say that the Laugheads are putting out information again about the end of the world when all the time you're talking about the New Age and decades hence and what will be done.

Well, I feel like the avenger. It perturbs me no end, but I cannot help it, dear ones.

(L.L.) That's probably why they stoned you once, wasn't it?

They probably would like to again. But this United Nations thing, dear ones, I cannot tell you enough and repeat it enough until it's seared into your brain that it must go out! You must give it in word; you must give it verbally; you must put it into your writings and your letters. You must fight this United Nations thing, because it has been put up to the people. They--tie war lords and the "International Bankers" knew that within each man and woman's breast burned the hope of a "one world." It was a clever "gimmick." Through this United Nations, this planetary council, could we achieve a "one world." But the "International Bankers" who really rule this world are using it as they have always used it: to plague poor spiritually hungry men!

I hope I've been somewhat enlightening, and please forgive my verboseness. So now I shall close with more fitting words for K. H. Blessings from the love of the Eternal Flame.

INTRODUCTION TO THE SCRIPTS OF PATMOS

It has been prophesied that in the time of the end of the age the Bible would truly be understood and interpreted. It is therefore significant that the author of the Book of Revelation now interprets the Book which he received on Patmos almost two thousand years ago.

St. John, who was known as John the Beloved, is now a Brother in the Brotherhood of the Seven Rays, and is known also as El Morya or the Master M.

Some of his past incarnations are as follows: Janheth, a son of Noah; Abraham of Ur of the Chaldees, ca. 2000 B.C.; Seti or Amio-Kiper-re, ca. 1292 B.C., 9th son of Ramses II Pharaoh of Egypt; Isaiah, ca. 765 B.C., Major Prophet of the Old Testament; Zoroamose, ca. 660 B.C., triplet brother of Zoroaster and Zoroastrus; Aristotle, 384-322 B.C., Greek philosopher; Leonardo da Vinci, 1452-1519 A.D., Italian artist; St. John of the Cross or John of the Cross, 1542-1591 A.D., Carmelite monk, Jacob Lorber, 1800-1864 A.D., German mystic.

In this issue of the SCRIPTS John discusses Chapters 1, 17, and 18 and the meaning of the great whore.

These SCRIPTS have been received through voice channel via the Brotherhood of the Seven Rays. To save time and space we are quoting only the verses of the Bible about which comments are made.

THE SCRIPTS OF PATMOS

JOHN THE BELOVED SPEAKING

Blessings in the Cross. John speaking. It is a very happy time and privilege that I can come to you this evening with a partial explanation of that which is known to the world as the Book of Revelation,--with your kind permission. Of course we cannot cover the entire Book of Revelation this evening. In fact, we are going to cover very little of it. We are not even going to start with the beginning chapters, except for Chapter 1, if you will turn to that.

Rev. 1:4: "John to the seven churches which are in Asia: Grace be unto you, and peace, from him which is, and which was, and which is to come; and from the seven Spirits which are before his throne..."

Now, the seven Spirits that are before His throne: What does that mean? His throne is where?

(Dr. L.) Sirius.

And the seven Spirits that are before His throne are the Council of the Seven Lights.

Rev. 1:5: "And from Jesus Christ, who is the faithful witness, and the first begotten of the dead, and the prince of the kings of the earth. Unto him that loved us, and washed us from our sins in his own blood..."

THE SCRIPTS OF PATIOS - (JOHN THE BELOVED SPEAKING)

What is the first begotten of the dead? What does that strange phrase mean?

(Dr. L.) Well, I think he's referring to the Resurrection.

Yes, and also there's something else there of great significance immediately after that statement, and that is that he has washed us: the shedding of his blood. Does it mean that literally?

(Dr. L.) No. It's symbolic.

It ties in with the explanation that you have in SECRET PLACES OF THE LION*...

("The blood and water which issued from the side of Jesus signifies the conjunction of the Christ with the human race by Divine Truth, spiritual and natural, proceeding from the Divine God of his Love...for the whole purpose of the Crucifixion was to release the vibration (blood). We are not saved because of Christ's blood that we accept, but we shall be saved because that blood was deposited on the Earth, thereby sealing the promise of his return! The blood, however, is a symbolic, yet physical manifestation of that promise... The blood shed that day was symbolic of a great Plan to purify and redeem the race of mankind on Earth by pouring into its life currents a new and purer stream through Christ... It is the 'blood of Christ... through the Eternal Spirit,' that cleanses." --From the manuscript of SECRET PLACES OF THE LION)

Rev. 1:7: "Behold, he cometh with clouds; and every eye shall see him, and they also which pierced him: and all kindreds of the earth shall wail because of him."

All right now...although I don't think you have ever heard of this before, but many have tried to find statements which reflect upon reincarnation in the Bible. Here is a definite statement: Those that pierced him will see him as he comes in clouds. How could they unless they were reincarnated? Certainly they are not alive yet from those times, are they?

(Dr. L.) It's one they missed.

Yes, it's one that all have missed and they will find that quite interesting. They have not looked in Revelation for confirmation of reincarnation. Now also it states, behold he comes in or with clouds. Yes, he comes with clouds, a rather obvious meaning I believe. That is a literal phrase. They have tried to say it is clothed in strange symbolism, but it means exactly what it says: comes with clouds, which he shall.

Rev. 1:8: "I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty."

Now let me say here, do you know the counting of the ancient Greeks? Alpha's one. And Omega is what?

(L.L.) Is the last--the beginning and the end.

You have heard recently of the so-called Theta Universe...Alpha and Omega, and in between we have Theta, do we not? You see, our Lord was referring there to the fact that he encompasses and surveys and is the guardian, protector, and supervisor of all between Alpha and Omega.

*Manuscript of a forthcoming book.

THE SCRIPTS OF PATMOS - (JOHN THE BELOVED SPEAKING)

Rev. 1:9-10: "I John, who also am your brother, and companion in tribulation, and in the Kingdom and patience of Jesus Christ, was in the isle that is called Patmos, for the word of God, and for the testimony of Jesus Christ. I was in the Spirit on the Lord's day..."

Now, I was in the Spirit on 'the Lord's day.' What does that mean? By the way, dear ones, we are reading Chapter 1 first to get us into the vibration... But what does "I was in the Spirit" mean? Come, come, dear ones!

(Dr. L.) Does that refer to the astral?

Yes, I was projected; it was an astral projection, was it not? In other words, I left my body on Patmos and had this revelation. And where did I journey? To Sirius. Rev. 1:10: "...and heard behind me a great voice, as of a trumpet, saying, I am Alpha and Omega..."

Yes, remember that Alpha and Omega is very significant and it does not mean just the trite saying, I am the beginning and the end.

Rev. 1:12-13: "And I turned to see the voice that spake with me. And being turned, I saw seven golden candlesticks; And in the midst of the seven candlesticks one like unto the Son of man..."

All right. I saw the Lord in the midst of seven golden candlesticks, did I not? What does that mean? Again it's the Council of the Seven Lights, is it not? which is operating directly in this System under the authority of the Master. I would like to add here too, if I may, that the Twelve Lords operate or directly influence the Council of the Seven Lights. That is the Council of the Seven Lights? The Twelve Lords are the Planetary Spirits of the System; but what are the Seven Lights? (L.L.) Do the seven archangels enter in there?

In a sense, but also it is the direction of the Space Confederation operating at this time. The Council of the Seven Lights actually completed its work some time ago, which was the survey of the Earth and all its peoples.

Rev. 1:16: "and he had in his right hand seven stars: and out of his mouth went a sharp twicedged sword..."

Seven stars and a two-edged sword. Do you know the significance of the sword?

(Dr. L.) It indicates division.

And truth. The double-edged sword or the two-edged sword, which also separates the negative and positive, and wheat and tares, and black and white, and sheep and goats. It is the symbol, dear ones,--the two-edged sword is the symbol of that which is so symbolic of the Planet Earth, and that is the dichotomy of Earth. Remember, you were told that true existence is found in trichotomy. Man always seeks and longs for a trinity of divine life. Other worlds exist in trichotomy, not in dichotomy. The two-edged sword: upon Earth there are always two sides to every issue. As you have learned, there cannot be two; there must be three,* you see. Also the two-edged sword symbolizes truth of course.

* One, plus one, plus the reaction between them, equals three.

THE SCRIPTS OF PATMOS - (JOHN THE BELOVED SPEAKING)

Rev. 1:17: "And when I saw him, I fell at his feet as dead. And he laid his right hand upon me, saying unto me, Fear not; I am the first and the last..."

I fell at his feet as dead: projection again. My body, of course, was as dead. That was only to get us into the vibration and also we had to cover Chapter 1. Now we will turn to Chapter 17 and 18 and get down to the work of the evening.

Rev. 17:1-2: "And there came one of the seven angels which had the seven vials and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters: With whom the kings of the earth have committed fornication..."

Do you know the symbolic meaning? Who is the great whore? or what? Do you have any ideas? What would that apply to more than anything else? Dear ones, this that you are going to send out is going to cause a furor...because the great whore is the Catholic Church. But we cannot mince words, can we?

(Dr. L.) This has been projected before I believe.

Yes, but I'm going to give it to you in more minute detail which will be somewhat shocking to the masses of the beloved who follow her. But it is time that the information is given. And you can do it with all love, believe me. Remember that the Pope...is also a servant of our Lord Jesus, and many of the people within this Church and within this great body are devoted and fine people... We must be careful to point out that it is the organization, not the individuals. There have been some very holy and sacred people within this organization and still are.

We are therefore primarily concerned with the world organization that this church has built when our Lord very clearly stipulated the kingdom was not of the earth. They have diametrically opposed this view, have they not? Now also,--without getting into another chapter, but it comes in here,--wherever the Church of Laodicea is mentioned in Revelation, it refers to the Catholic Church: the luke-warmness of Laodicea, you see. I thought you might be interested in that.

Now therefore the great whore that sits upon many waters: The many waters are the many nations, the countries, the peoples and races, and businesses of the Earth. She has committed fornication with the kings and merchants of the Earth. This means in trade, dear ones. She has perverted her great spiritual cause to enter the political arena. She has controlled nations for centuries, has she not? She has owned land, wealth beyond measure.

Rev. 17:2: "...and the inhabitants of the earth have been made drunk with the wine of her fornication."

Yes. Is it not true that through her controlling interests she has controlled the bodies and souls of men?

Rev. 17:3: "So he carried me away in the spirit into the wilderness..."

Again projection.

Rev. 17:3: "...and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns.

Now of course this has always caused a great deal of controversy as to what this means: the scarlet beast and the woman. It has often been said that the beast and

THE SCRIPTS OF PATMOS - (JOHN THE BELOVED SPLAINING)

the woman symbolize one thing. They do not. They symbolize quite different things.

Rev. 17:4: "And the woman was arrayed in purple and scarlet colour..."

Now here is a key: Remember, the colors of the holy Roman Church are purple and scarlet. Purple is the color of the bishops and their vestments and the scarlet is the color of the Cardinals' college or the College of Cardinals, is it not?

Rev. 17:4:

"...and decked with gold and precious stones..."

Again the Catholic Church. Are they not decked with gold and precious stones?

Rev. 17:4: "...and pearls, having a golden cup in her hand..."

Yes, the chalice of the Church.

Rev. 17:4: "...full of abominations and filthiness of her fornication..."

Yes, you see, the cup that is symbolized every Sunday in every Catholic Church all over the world where they are presumably,--through some sort of pagan incantation which they borrowed from the ancient Mithric religions and from other pagan rites,-- they are supposed to turn the wine into the actual and literal blood of the Lord, are they not? Then this chalice is full of their abominations...because they could not produce the blood of the Lord. It is a pagan ritual, certainly not looked upon with favor by our Lord... But anyway, the cup is the chalice which has become their symbol.

Rev. 17:5: "And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH."

All right. That is given in great capitals in your book, is it not? Now do you know what Babylon means? Babylon, dear ones, whenever it is used means Rome. First of all, I think at the time of my writing there were two or three Babylons. The one in Egypt could hardly be the city since it was a very very small and insignificant Babylon. The ancient Babylon was in ruins, was it not? Rome was written by the prophets and apostles as Babylon. And this is known to historians, so it's not something new that I'm giving, because, if you remember, Peter was supposed to be in Babylon. It has been a controversy whether he was ever in Rome or not, but he was in Rome. He was supposed to have written from Babylon. Of course he wasn't in Babylon; he was in Rome, was he not? Rome then is Babylon, symbolic as it was in our time of life. Rome was the Babylon of the post-Crucifixion era, you understand.

Rev. 17:6: "And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration."

Yes, you see, actually she has used the saints and martyrs to her own benefit. In other words, materialism brought by our dear brother, Constantine--materialism came upon the scene. The saints and martyrs who established the true church of our Lord, dear ones--and then materialism said: "Look, we have fought these Christians long enough; let them have their religion. Make it a state religion. Make it the religion of the Holy Roman Empire." So no longer was it S.P.Q.R., Rome and the senate. They added the word "holy" to it: the "Holy Roman Empire,"--and they let the people have their religion, but they were in charge of the religion. The

THE SCRIPTS OF PATMOS - (JOHN THE BELOVED SIGHTING)

beginning of the so-called Catholic Church was political, not religious. They imposed a political organization upon an essentially spiritual, religious one. They are drunken then with the blood of the saints and martyrs.

Rev. 17:7-8: "And the angel said unto me, Therefore didst thou marvel? I will tell thee the mystery of the woman, and of the beast that carrieth her, which hath the seven heads and ten horns. The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition..."

Yes. Now that is one of the most confusing of all in Chapter 17 and I shall explain it for you. This will interest the people greatly; perhaps yourself too. Now, how can it "was, and is not"? How can it have been and yet is not; and then it descends out of the bottomless pit, does it not? The beast, dear ones, is what you have referred to many times as the "Hidden Empire"--the "International Bankers." The woman is the Church, and the beast that she sits upon is the "Hidden Empire," the secret super-government of the world.

Now the beast that "was, and is not" and ascends from the bottomless pit: The bottomless pit is the "Hidden Empire." The beast comes out of a hiding place, a pit where no man has been able to go. Man in general does not know the existence--very few men upon the face of the Earth know of the existence of the secret government; and whenever they state their claims they are very rudely disposed of. Is that not true?--as our very dear Brother Peter found out not too many years ago when he was incarcerated because of his claims. You see?

Then the "beast that was,"--it has always been. The "Hidden Empire" has existed throughout all time for man upon the Earth. It is the very force of materialism--the anti-Christ--because, not that it is anti-Jesus, although it is, but it is more than just a personal thing; it is anti-Christ; it is anti-Light.

Rev. 17:8: "...and they that dwell on the earth shall wonder, whose names were not written in the book of life...when they behold the beast that was, and is not, and yet is..."

Yes, those that dwell upon the Earth, when they behold the beast that was and is not. Now who are they then? He's referring there, is he not, to the beast that was and is not, and the people who were not written in the book of life from the foundation of the Earth? I will say "he" all the way through, by the way, because I didn't put this in writing. I will tell you who did later. Perhaps it was one, Irenaeus, a student of Polycarp, and Polycarp was my own disciple, was he not; more of that later. I did not write it. The Book has been attributed to me but I did not write it. Let us say I authored it, but I did not write it. Does that make sense?

(Dr. L.) You gave him the material to write?

Yes, he was the scribe that wrote it down. Of course, I am the author. I dictated it to him. Shall we go on? One moment though. Who are they whose names have not been written in the book of life since the foundation of the Earth? It sounds like someone's being excluded. And they are the ones who will marvel at the beast that was and is not. Who are these people whose names are not written in the book of life from the foundation?--because now we learn that some people will be omitted. But who are these that were so dastardly that they were omitted at the very beginning? They are the ones who have come to the Earth from elsewhere who are the force behind the "Hidden Empire," who feel that they own the Earth and wish that everyone else would leave.

THE SCRIPTS OF PATIOS - (JOHN THE BELOVED SPEAKING)

But, the beast that was and is not--it has always been. That's what "was" means, and it "is not." That means it is not known. It is not a beast; it is not a thing you can touch, see, and smell. It's a hidden world, is it not? and it ascends from a bottomless pit. It's hidden; it's unknown. But now it's ascending. It's coming to the fore so that all men might know it and see it; and those that worship it--those that are marvelled by it--are those whose names were not written in the book of life since the foundation: the followers of the beast, the materialists who have come here from elsewhere who think they own the Earth. They say, Jehovah, not Elohim.

Rev. 17:9: "The seven heads are seven mountains, on which the woman sitteth."

Correct. The seven hills of Rome upon which the Vatican sits, dear ones--the seven mountains. Is that not right?

(Dr. L.) That's been deduced before. I believe that's right.

Well, I wonder why they deduced it?

Rev. 17:10: "And there are seven kings: five are fallen, and one is, and the other is not yet come..."

All right. This has been thought of as Earth kings, but we're going to get a little "spacy" with our interpretation because, dear ones, as you say, some of these things have been deduced before, such as the seven hills. It must be Rome; it must be the Catholic Church. But no explanation fits Revelation unless you consider outer space. Remember it was written: When Revelation is finally understood the time of the end is near. And it could not be understood until the coming of the Space People, and the explanation they have to give fits in with the former deductions and gives the complete picture, you see.

Now, five kings that are no more: Five and one is six--the "Unholy Six." Five kings are fallen; one that is. In other words, five periods or five of the former governments representing five of the suns of the "Unholy Six," or the star sun systems, they are not operating; they have not been successful. They have gone through the period of the Atlans, but now one is active--the present one, or present operation.

Rev. 17:10: "...and when he cometh, he must continue a short space."

And he's coming and will continue a short space. These do not represent men actually; the kings are not individual men. Let's go on. There's an eighth.

Rev. 17:11: "And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition."

Now is that understandable? Remember you have been told that the "Unholy Six" are backed by the so-called Black forces--the dragons. The eighth is the beast itself--the "Hidden Empire" upon the Earth. Remember you were told that the "Hidden Empire" would be used by the "Unholy Six" to gain their purpose and then of course the "Unholy Six" would do away with the "Hidden Empire" too, but being of a negative nature they could be used for their purpose. So the eighth is the "Hidden Empire" or the beast and is in league with the other seven, which corresponds to the "Unholy Six." Five are fallen; one is; and one is yet to come. Is that clear?

Rev. 17:12: "And the ten horns which thou sawest are ten kings, which have received no kingdom as yet..."

THE SCRIPTS OF PATIOS - (JOHN THE BELOVED SPEAKING)

Now we are getting to Earth men: ten kings who are the men that control the Earth--the "International Bankers." They do not have a kingdom yet, do they? You see, it's very clear. They are kings and yet they have no kingdom. They are not kings in the usual sense of the term but they are kings in the sense that they control the Earth.

Rev. 17:12: "...but receive power as kings one hour with the beast."

You see, they receive power as kings for one hour with the beast. In other words, the beast--the banking organization--and the ten men who control it are in power for a short time.

Rev. 17:13: "These have one mind, and shall give their power and strength unto the beast."

They are of one mind: There is a key to who they are. And they give their power to the beast. They give their entire power to the "Hidden Empire," to the project at hand: in other words, their idea for conquest of the Earth. We must always keep in mind that we have the negative anti-Christ forces epitomized by the "Hidden Empire" upon the Earth working against man, and we have it in outer space in the form of the "Unholy Six." We're getting it from all sides in other words.

Rev. 17:14: "These shall make war with the Lamb, and the Lamb shall overcome them; for he is Lord of lords, and King of kings..."

That is the ruler of this System, our Lord, of course; and, of course, naturally that force is warring upon him.

Rev. 17:16: "And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire."

Now the ten kings which are the ten horns on the beast--correct?--they will hate the whore. In other words, the ten men (the bankers of the world) will hate the Church and will make her desolate. That has already been accomplished, dear ones, because the entire vested interests, economically and financially, of the Catholic Church have been taken over by the "International Bankers" lock, stock, and barrel, so to speak. That has been prophesied and has already been fulfilled.

Rev. 17:17: "For God hath put in their hearts to fulfill his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled."

This means not that they are acting on God's behalf but that they are fulfilling prophecy. They are fulfilling that which they came to do and they are giving power to the beast.

Rev. 17:18: "And the woman which thou sawest is that great city, which reigneth over the Kings of the earth."

There is only one city that reigneth over all things, and that is Rome, because the Papal See at the Vatican and the crown that he wears is a triple-tiered crown. It's in three sections--the Pope's crown--which means power over heaven, hell, and earth. It's obvious, dear ones, that if you are king of heaven, hell, and earth there's nothing left to be king of. Heaven means all creation; hell everything under the earth; and earth the entire planet. So there's only one city which all the kings of the Earth bow to and, until very recently, most of the kings were Roman Catholics; and today they owe their allegiance there. Do you see, dear ones, it was a force that had to be destroyed by the bankers?

THE SCRIPTS OF PATRIOS - (JOIN THE BELOVED SPEAKING)

Now many people feel that the Catholic Church is the "Hidden Empire." It is not the "Hidden Empire," but it is nonetheless a force that would control man's mind; tell him what to believe and what not to believe. But the ten kings or the ten horns hate the whore and will make her desolate and will destroy her; and through the years and centuries they have been buying, and buying, and buying till finally the holy Church found out she didn't own anything anymore. That is the city that rules all.

(C.E.I.) I have one question about these ten men. Have they kept reincarnating in the same family lines?--that is physically.

There is much that we can give on the ten men but that is not my province. They can be named but we do not wish to do that at this time because we want to give the meaning of the Scriptures, not make it a personal thing. However, I can answer your question. They have reincarnated over and over again in the same pattern, sometimes within the same family, yes, but the families are not too important. Also they have, as perhaps some of your earlier theologians would have said, sold their souls to the devil. They are in league with the anti-Christ. But the Evil One--The Anti-Christ--not the spirit of anti-Christ because there is one who will come who will be The Anti-Christ (it's not altogether symbolic), he has not been revealed yet to any man. Even the ten are not The Anti-Christ. They are only the servants. But we will have more on that at another time. Now we will go to Chapter 18.

Rev. 18:1: "And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory."

Was lightened. Is that not interesting? I wonder what that means! Something's coming down and the earth will be lightened with his glory. Very interesting!

Rev. 18:2: "And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit..."

In other words, we have a definite prophecy, dear ones: The Catholic Church is falling. The Catholic Church is collapsing completely, and this is what she fears. The last few years she has tried desperately to gain support even from the Protestants by saying: "Come back, all of you Protestants; come back to the arms of the mother Church! We will accept you. Come back and let Christianity fight Communism!" But, dear ones, in a sense she's right because Communism in a sense is part and parcel of the "International Bankers." Of course they control the entire world but their influence is felt greatly through the materialism of Communism. The Catholic Church has been fighting this, has she not?

Rev. 18:3: "...and the merchants of the earth are waxed rich through the abundance of her delicacies."

Again her trade.

Rev. 18:4: "And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues."

In other words, our Infinite Father is saying: "Come out of this organization that claims to be my authority upon the Earth." He's calling out His true people.

Rev. 18:5: "For her sins have reached unto heaven, and God hath remembered her iniquities.

Yes, let her fall; let her go. The "Hidden Empire" has destroyed her. They have

THE SCRIPTS OF PATROS - (JOIN THE BELOVED SPEAKING)

bought her and she's gone. But you see the people of the world, so many of them devout Catholics, will be horrified. Therefore they must be told: "Come out of her; let her go."

Rev. 18:6-7: "Reward her even as she rewarded you... How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her: for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow."

That is exactly what the Catholic Church says: "I am queen of Earth; I have every-thing. I have gold and riches and land. Kings bow before me." But remember the prophecy of the Church of Laodicea: "You claim you are so rich and yet you are naked and have nothing." Which means, of course, yes, they are rich in material goods but they are naked spiritually.

Rev. 18:8: "Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire; for strong is the Lord God who judgeth her."

This ties in with what you have spoken of in SECRET PLACES OF THE EARTH: A great earthquake will shake the seven hills. The tombs of the saints will be opened, the secrets exposed. The great vaults of the Vatican which have hidden the truths through all time that they have accumulated and not allowed man to know about: the secrets of the doctrine of reincarnation which our Lord taught and other great secrets which they have kept from man, starting with Constantine. Dear ones, the Catholic Church is built upon Constantine, not Christ. In other words, it is built upon he who was Judas Iscariot.

Now look! We have a very interesting parallel. Constantine had been Judas Iscariot. Judas Iscariot, although a very good man, did not understand. He thought that the world, the kingdom of the Christ, would be a material kingdom. He said to The Christ many times: "Lord, pick up the scepter; it's in the dust. The scepter of Israel is at your feet. You are King."

And the Lord said: "Judas, beloved Judas, how many times must I tell you that my kingdom is not of the earth! The scepter will stay in the dust."

Now do you see the connection over the years? Judas, steeped in materialism, as Constantine, was also steeped in materialism, although he paid in part karmically by establishing the Church, making it the state religion, but at the same time he removed the doctrine of reincarnation. He tampered with the sacred message taught by the Lord and materialism became the main objective of the Catholic Church because, what he could not accomplish as Judas, he accomplished as Constantine. As Judas he wished to make the Kingdom the Kingdom on earth. As Constantine this became literal fact. As an emperor he made the Christian religion a kingdom upon the earth. And the Catholic Church is still that. It's a kingdom; it's a Church of wealth; it's a Church of gold and jewels and gems and wealth beyond measure. It has always been symbolized so.

And now it collapses and falls. Many true believers are going to wonder. The truth will be opened and there shall be great fires.

Rev. 18:9-12: "And the kings of the earth...shall bewail her...when they shall see the smoke of her burning...saying, Alas, alas that great city Babylon...for in one hour is thy judgment come... And the merchants of the earth shall weep...for no man buyeth their merchandise any more...of gold, and silver, and precious stones, and pearls, and fine linen, and purple, and silk, and scarlet..."

Oh yes! if I have never heard a more perfect description of a Catholic Church and altar in my life!—the white linen of the altars! the purple of the bishops and the scarlet of the cardinals; and the jewels and gold and gems, the incense and frankin-

THE SCRIPTS OF PATMOS - (JOIN THE BELOVED SPEAKING)

sense!--a perfect description!

Rev. 18:13: "...and horses, and chariots, and slaves, and souls of men."

That can also be translated--and I wrote it that way (or had it written): "bodies and souls of men" not slaves. And they have controlled the bodies and souls of men. But the "Hidden Empire" must destroy them, although they are both attempting the same thing upon man. They both serve materialism.

Rev. 18:20: "Rejoice over her, thou heaven, and ye holy apostles and prophets; for God hath avenged you on her."

Is that not interesting--the avenging? I wonder how those who are Catholic would interpret this Chapter, because what city could it be but Rome? There is no other. In other words, we do not find God and the holy angels at all unhappy over the fact that His Great Church has collapsed, is lie? The entire heavens are to rejoice over her collapse, her demise. The true children of God, the propitiets and the saints, are avenged because of this Constantine law that turned the Church into materialism and turned it into a worldly empire which it never was intended to be. Dear ones, the spirit of Judas Iscariot was the founder of the Church that sits on the seven hills.

Rev. 18:21-22: "And a mighty angel took up a stone like a great millstone, and cast it into the sea, saying Thus within violence shall that great city Babylon be thrown down, and shall be found no more at all. And the voice of harpers, and musicians... and no craftsman, of whatsoever craft he be...and the sound of a millstone shall be heard no more at all in thee..."

The millstone, of course, referring to the workers; and of course the songs in the Church--the great songs, the great Gregorian chants. Now the millstone in the sea: Is it possible that also there shall be floods following the earthquake when the secrets are revealed?

I, John, your brother and servant bring you this and declare it to be so. In other words, this is John interpreting his own book.

There is more to it, but this is enough for now. And, dear ones, I did not understand it when I authored it. How could I? Subsequent events have had to answer it, have they not? But anyway, violence is definitely specified.

Rev. 18:23: "And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee..."

Ah, you see!--the Church and giving in marriage! No more the bride and bridegroom! No more the thousands of burning, flickering candles before many images!

Rev. 18:24: "And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth."

In other words, what is our summary of 17 and 18? It's this: The Catholic Church will be utterly destroyed. That is in the near future. It will be destroyed by the "Hidden Empire" and by terrain changes. It will be figuratively and literally destroyed. Its buildings will crumble; its secrets revealed. But its political power will also be gone. In other words, it is going to be eliminated from the Earth as a source of power for good or evil.

But still remember, the Pope and the College of Cardinals are the servants of our Lord also. Remember also, dear ones, that while they have tried to set up the

THE SCRIPTS OF PATIOS - (JOIN THE BELOVED SPEAKING)

material kingdom through wealth, it has been through ignorance through the spirit of Judas Iscariot. Remember, when considering the Catholic Church, you must tell the people they must always think of Judas. But then also you must tell them of Judas* that he was not an evil man, but misinterpreted the message and tried to set up a material kingdom. Again as Constantine he did the same thing and the result was the Catholic Church.

But the Catholic Church is fighting the great black anti-Christ forces of the "Hidden Empire." Therefore, it is the servant of our Lord. You see that connection. But being materialistic it must be eliminated, as all materialism will be. If we had our choice to be ruled by the Church of the seven hills or by the "Hidden Empire" I don't think there's any question which we would choose. It would of course be Rome.

(Dr. L.) That's a strange enigma of two forces both eventually doomed and yet working against one another.

Yes, you see, one is operating through ignorance of spirit getting the kingdom ready through wealth to welcome the Lord, our Lord who never knew a pillow for His head. They should realize that He is not interested in their gilted churches because all the wealth of the Earth is as rats and filth to the Lord--He who knows the grandeur of majestic worlds without number. It's all such a pitiful thing!

Dear ones, I give you this interpretation without any wrath or hate within my being. I have the utmost love for those who serve in the Catholic Church; believe me, I do, because they are operating in ignorance,--as much as I had love for my brother, Judas, who did not see the picture, who did not understand the message of the Lord, but who was a great and sincere man. The destruction of the Church will be a very sad thing, believe me.

This message will be misinterpreted, especially by those who are Catholics. They will not accept it of course. That is unfortunate, but we must give the message nevertheless. That is not the most important message of Revelation, but the meaning of the great whore is the first one we are going to give out. Do you have any questions?

(C.E.L.) I have one question. I don't quite understand. The Catholic Church seems to be symbolic of wealth and so on, yet they don't own any wealth; it's owed by the "Hidden Empire." Why is it they're symbolic of wealth?

They have been for two thousand years. If you recall, I said that the "Hidden Empire" has just now recently in the matter of a very few years completely bought up all the vested interests of Rome. Previous to that for nearly two thousand years the Catholic Church was somewhat of a competitor with the bankers. It was a definite threat to them. They are only recently gaining a stronghold throughout the entire world. They have not always controlled every single thing. It has taken time. If they did, dear ones, long ago you would have been enslaved more than you are. You would have been literally enslaved. The "Hidden Empire" would not need to be a hidden empire if they had control of everything. The Catholic Church was the one great force that they had to destroy. They have now bought it literally. And that is the fulfillment of that prophecy. Next comes the destruction; and for the beast to ascend from the bottomless pit that has been hidden and, when he ascends, naturally he will make himself known; and the beast that was throughout all time, and yet is not because he is invisible, will make himself known. And those upon the earth will marvel whose

* William Dudley Pelley, As Thou Lovest (esp. P. 223)

THE SCRIPTS OF PATMOS - (JOIN THE BELOVED SPEAKING)

names were never written in the book of life since the foundation of the earth.

Also in Chapter 16, Verse 21, will you turn there please. "We're going to have a time in Chapter 16 but not tonight; but I do want to mention this.

Rev. 16:21: "And there fell upon men a great hail out of heaven, every stone about the weight of a talent; and men blasphemed God because of the plague of the hail; for the plague thereof was exceeding great."

Now, just for a moment, to let you think upon it, what is the hail?

(Dr. L.) Of course we think of Velikovsky's Worlds in Collision.

And well you might.

(L.L.) Is that the comet that...will hit the earth?

It is. Which will go into many pieces of course upon hitting the Earth's magnetic field. Dear ones, how long has it been that man has accepted the meteorites? Do you know that even in your 13th Century a man was considered a lunatic if he believed in meteorites from outer space? It has only been within the last few decades actually when falls of meteorites were definitely observed that it was accepted scientifically. So therefore at the time that this was written "hail" was the only word. There was no such word as "meteor" or "meteorite."

It will come as a great hail. But a talent--do you know what that weighs? I'll tell you. An attic talent which came later than the Hebrew was about 50 pounds avoirdupois weight. In other words, avoirdupois is 16 ounces to the pound, but the Hebrew talent was double this: 116 pounds. Meteorites weighing 116 pounds are going to strike the earth from the great comet that is coming. More of that later. I think that will intrigue your people also.

(Dr. L.) We had mentioned before that a great comet was heading for the Earth.

Yes, it is. So you see, we have the "Hidden Empire" ready to snatch man into slavery, the "Unholy Six" ready to haul off the planet after it has eliminated the population, a comet which is heading for the Earth to pelt it with 116 pound hailstones, the Sun ready to explode and burn it up! My, it's a terrible picture! Perhaps not only will this information be interesting to your people but it will also frighten them out of their wits. And, dear ones, nay our Father forgive me: I hope it does! Man must be hurt, it seems to turn to spiritual things, unfortunately. It is a difficult lesson but he has not learned.

I will go now, dear ones, and I leave you in the light of the Cross, in the name of our Lord.

ATTENTION

Dear Friend:

No. 21 in the accompanying booklet containing a copy of the letter from Mr. Straith, is the first authentic wedge I have received. With it, the American people can break the barrier of silence, which has so long been governmental policy regarding the reality of our interplanetary visitors.

During the past twelve years we have looked to the Air Force for information on UFO's. But from an unimpeachable source I have learned that irrespective of their desires, this body is unable to release full information. The personnel handling this subject consists of appointees and the military; therefore, changes in personnel can be made at any time without reference to the public.

On the other hand, the members of Congress are elected by the people! According to our form of government, American citizens have the right to share in all information that does not jeopardize the welfare of our country. It is the duty of their elected representatives to keep the public informed. Would the acknowledgment of the reality of space craft — which have been witnessed by thousands of people throughout the country — jeopardize the welfare of America?

The time has come for the people of our nation to act. If you want release of the records now acknowledged to be in the hands of our State Department, write to your senator, your representative, and to Vice President Nixon. They all need your support to continue their political life!

Tell these gentlemen you want the facts about space visitors revealed without further delay. Tell them you know this information is accessible to them, and you believe the people of this country, and the world, have a right to receive these reports.

The information given to me in the letter printed in the booklet, I have shared with you. The matter is now in your hands. If you really want the truth, you can get it. But you must act immediately and start a flood of mail going to the members of the House of Representatives, the members of the Senate, and to Vice President Nixon.

If the pressure from the people is vigorous and continuous enough, the truth will be given. But this cannot be accomplished if you are indifferent. Act now . . . and get all your friends to do likewise. The results depend upon you.

Very sincerely,

GA:lm

My Dear Professor:

For the time being, let us consider this a personal letter and not to be construed as an official communication of the Department. I speak on behalf of only a part of our people here in regard to the controversial matter of the UFO, but I might add that my group has been outspoken in its criticism of official policy.

We have also criticized the self-assumed role of our Air Force in usurping the role of chief investigating agency on the UFO. Your own experiences will lead you to know already that the Department has done its own research and has been able to arrive at a number of sound conclusions. It will no doubt please you to know that the Department has on file a great deal of confirmatory evidence bearing out your own claims, which, as both of us must realize, are controversial, and have been disputed generally.

While certainly the Department cannot publicly confirm your experiences, it can, I believe, with propriety, encourage your work and your communication of what you sincerely believe should be told to our American public.

In the event you are in Washington, I do hope that you will stop by for an informal talk. I expect to be away from Washington during the most of February, but should return by the last week in that month.

Sincerely,

R. E. Strait
